

For the attention of BNP Paribas Full Commercial Branch clients

We would like to advise that following a recent Directive from the Central Bank of Bahrain, the FAWATEER service is now available as part of the Electronic Funds Transfer System in Bahrain.

FAWATEER is a user-friendly bill payments/collection system which provides the following services :

For clients making payments :

- Bill payments by direct debit or standard Fawateer bill payments
 - for single or multiple billers
 - ability to make payments to both online and offline billers
- Bill enquiries

For clients accepting payments:

- Bill collection by direct credit or standard FAWATEER bill collections (initiated by paying clients)

The service is effective from 3rd October 2016, enabling you to execute or receive bill payments as outlined in the CBB Directive and the EFTS operating rules.

These services are available via the branch where we can help with queries regarding FAWATEER payments, set up of Direct Debit / Credit payments or how to register offline billers. Please feel free to contact us on 00973 17866626.
