

## **DATA PROTECTION POLICY**

### **Introduction**

The following summarizes the key measures implemented by BNP Paribas in order to comply with its obligations under the ICANN registry agreement and the data protection laws. These matters are subject to the exclusive French jurisdiction. As a French incorporated company, the primary relevant legislation is the French Data Protection law n° 78-17 dated 6 January 1978 and “personal data” shall have the meaning ascribed to this term in the French Data Protection law. BNP PARIBAS also undertakes to process all personal data relating to its registry activity of the extension .BNPPARIBAS in accordance with the Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of individuals with regard to the processing of personal data and the free flow of these data.

BNP Paribas is committed to protecting the personal data of those who register domain names (“Registrants”). BNP Paribas will handle personal data provided by Registrants in accordance with this policy.

BNP Paribas reserves the right to modify this policy from time to time.

### **Information collected and RDDS Service**

BNP Paribas collects certain data that are deliberately given. Such data includes domain name registration information provided by Registrants to Registrars, including, but not limited to: registered domain name, name server delegation, Registrant name, contact name, technical contact, address, phone and fax number, email address, and IP address (“RDDS Data”).

While BNP Paribas will comply with all requirements related to the accuracy of RDDS Data under its Policy with ICANN, BNP Paribas cannot guarantee that all personal data received is accurate or up-to-date and will not, therefore, be responsible for any inaccuracies.

No transmission of personal data to a third party : the information collected through our website are not subject to external communication (unless when necessary for the TLD to operate and under an agreement incorporating provisions to protect personal data) and are used for the sole TLD management requirements and according to the legal and regulatory obligations.

### **Protection of Personal Data**

BNP Paribas has endeavoured to put into place and maintain security measures to protect the security of your personal data while it is under BNP Paribas’ control.

According to applicable law, BNP Paribas retain personal data only for a limited time proportional to the purposes for which they have been collected.

Personal data may also be protected by banking secrecy.

BNP Paribas has implemented the appropriate technical and organizational security measures to protect Personal Data, including internal security procedures that restrict access to and disclosure of Personal Data. BNP Paribas also use encryption, firewalls and other technology and security procedures to help ensure the accuracy and security of Personal Data and to prevent unauthorized access or improper use.

### **Correction, update and deletion of Registrants' information**

BNP Paribas only accept registrant data from the relevant Registrar. In the case that you may wish to, update, correct, rectify or delete Personal Data, please contact iNames: [i\\_names@bnpparibas.com](mailto:i_names@bnpparibas.com).

### **Access to Non Public Registration Data**

BNP PARIBAS Registry Operator will provide reasonable access to Personal Data in Registration Data to third parties on the basis of a legitimate interests pursued by the third party, except where such interests are overridden by the interests or fundamental rights and freedoms of the Registered Name Holder or data subject pursuant to Article 6(1)(f) GDPR. For such purpose, please contact [TLD@bnpparibas.com](mailto:TLD@bnpparibas.com).

Notwithstanding BNP PARIBAS Registry Operator will provide reasonable access to Personal Data in Registration Data to a third party where the Article 29 Working Party/European Data Protection Board, court order of a relevant court of competent jurisdiction concerning the GDPR, applicable legislation or regulation has provided guidance that the provision of specified non-public elements of Registration Data to a specified class of third party for a specified purpose is lawful within 90 days of the date ICANN publishes any such guidance, unless legal requirements otherwise demand an earlier implementation.
