The bank for a changing
world

BIOGRAPHY

ANJULI PANDIT

UK Head of Corporate Sustainability

In 2016 Anjuli was appointed UK Head of Corporate Sustainability. Anjuli leads the coordination and execution of UK CSR, focusing on the social, economic, environmental and civic pillars that comprise BNP Paribas' CSR platform. She also manages the UK component of the CIB Sustainable Financing & Investment Programme.

Anjuli joined BNP Paribas from the Tata Group, where she worked across a range of its companies to develop eco-sustainability products, build relationships with governments and support the turnaround agenda for its hospitality arm, Taj. In addition, Anjuli has run multiple social and environmental projects in India and France; worked with the Obama Administration at the Council on Environmental Quality; the International Energy Agency and the former US Vice President Al Gore's 'The Climate Project', launching its India chapter in 2008.
